DOMINION ORDERS IN COUNCIL.

[3187.]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Thursday, the 14th day of November, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 8th November, 1912, that by an Order in Council dated the first of October, 1909, Mr. J. C. Maclure was permitted to purchase at the rate of \$1 an acre the south-east quarter of Section 30, Township 19, east of the Coast Meridian, for brick manufacturing purposes, subject to the condition, however, that within three years from the date upon which the sale was authorized a plant, having a capacity of 5,000 bricks per week, should be erected on the property, and should have actually produced not less than 300,000 bricks.

The Minister states that evidence has been filed in the Department of the Interior to show that a plant having a capacity of 20,000 bricks per day has been erected in connection with this sale; that over 1,000,000 bricks have been manufactured by such plant; that it was found impossible, however, on account of the sheer, precipitous character of the quarter-section to erect the plant on the said property, and that adjoining property had been leased upon which to erect the necessary plant and establish the brick and sewer pipe industry at a cost of \$140,000.

As it would appear that the character of the land sold to Mr. Maclure was such as to preclude the possibility of erecting thereon the required plant, and as the conditions of the Order in Council of the first of October, 1909, have otherwise been very fully complied with, the Minister recommends that he be authorized to accept the erection of this plant on adjoining lands as compliance with the conditions of the sale.

The Committee submit the same for approval.

RODOLPHE BOUDREAU.

de12

Clerk of the Privy Council.

[3257]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Thursday, the 21st day of November, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

HIS Royal Highness the Governor General in Council is pleased to order as follows:—

The Regulations established by Order in Council of the 13th May, 1910, and amended by subsequent Orders in Council, for the leasing and administration of lands containing limestone, granite, slate, marble, gypsum, marl, gravel, sand, or any building stone, in the Provinces of Manitoba, Saskatchewan, and Alberta, the North-West Territories, within

twenty miles on either side of the main line of the Canadian Pacific Railway in the Province of British Columbia, and in the tract of three and one-half million acres acquired by the Government of the Dominion from the Province of British Columbia, are hereby amended so as to include the leasing of Dominion lands containing deposits of clay, subject, however, to the following additional conditions:—

1. The lessee of a clay location shall, within two years from the date of the lease, erect upon the lands described therein, or on lands acceptable to the Minister, a plant suitable for the manufacture of brick or other clay products, and he shall, within the same period, furnish evidence, supported by affidavit, showing the character and value of the plant installed and the date of its installation. If the required plant is not installed within the time specified, and if evidence of its installation is not furnished within the same time, the lease shall be subject to cancellation in the discretion of the Minister. Provided, however, that the Minister shall not require that the value of the plant so installed shall exceed the sum of \$10,000.

2. The lessee of a clay location shall, during each year of the term of the lease after the second year, manufacture from his leasehold and produce ready for shipment not less than 100,000 bricks, or their equivalent in some other form of clay products, to the satisfaction of the Minister. If during any year, after the second year of the term of the lease, the lessee fails to manufacture the quantities specified, or fails to furnish satisfactory evidence of his having done so, the lease shall be subject to immediate cancellation in the discretion of the Minister.

RODOLPHE BOUDREAU,

de19 Clerk of the Privy Council.
